

Hotel & Hospitality Management

International Institute of Hotel Management

Under IEM-UEM Group

Message from the Chancellor

Since its inception, UEM has surpassed innumerable benchmarks of achievements and accreditations. Today the University flaunts a colossal network of expansive operations led by an awe-inspiring student force who are the torchbearers of a better tomorrow.

Knowledge is an empowerment. It teaches life to take the right path, accept challenges and make the right decisions in every field. We, at UEM, seek to bestow the right education to every student to help them excel in all the spheres of a competitive world. We aim to provide an international ambience and exposure with innovative teaching techniques and courses which are tailor made (technical & soft skills) for the job market giving the students the winning edge and competitive advantage during placements.

The vision of UEM is to be globally recognized as a center of excellence in education and research producing global leaders in Science, Technology and Management and creating knowledge in frontier areas of national and global importance. We also aim to provide the highest quality engineering, management graduates, cutting-edge researchers and innovation technologists by offering a congenial learning atmosphere to students with target to create good citizens.

**Prof Dr.Satyajit
